

HOW TO USE RESMAIL™

ResMAIL™ is a great travel-planning tool that provides you with different flight options and airfares based upon your travel request. This document is available either by e-mail (as an HTML or PDF attachment) or fax.

The travel counselor needs the following information from you in order to process your ResMAIL request:

- | | | |
|------------------|----------------------------|-------------------------|
| ✓ Departure City | ✓ Departure Date | ✓ Return Date |
| ✓ Destination | ✓ Preferred Departure Time | ✓ Preferred Return Time |

ResMAIL™ provides you with up to 6 outbound and 6 return flight options. Also included is a fare grid with up to 36 different price options for those specific flight options. The lowest available fares for the ResMAIL™ options presented will be **highlighted**.

PLEASE NOTE: ResMAIL™ is simply a "Snapshot" of flight options based solely on the dates and times requested. Your travel counselor will discuss the ResMAIL™ options with you and provide a COMPLETE fare search of all available options for you.
