JOURNEYS WORTH REMEMBERING

REAL MOMENTS, REAL MEMORIES, AND REAL TRAVELERS—SHARED BY THOSE WHO'VE BEEN THERE.

"The only way I would travel to Morocco is with a guided tour, so thank you for offering this. Travel broadens your perspective of living outside the US, and it makes learning fun! You learn about the country you're visiting and also from fellow travelers." - [Andrea](#)

"They took a lot of the research and headache out of the planning process so we could focus on the fun." - [Jacqueline](#)

"Fantastic! We canceled and rebooked our Alaska trip from the prior year so we could go with Fox and let them handle all the details. Our tour manager kept us informed every step of the way of what to expect and pivoted when needed. The suggestions from personal experience were very helpful, too. And she was available for Qs. We had a fabulous time exploring Scotland with 40+ newfound friends." - [Tom](#)

"A very good way to experience this part of Europe. The Fox Rep on this trip enhanced the experience. The fact that this was a "hub and spoke" adventure made it much more enjoyable. Colleen enhanced the experience. She was invaluable whenever issues popped up that required assistance." - [Peter](#)

"The trip was fun. Great people, leadership, and views. Colleen was amazing, a true gem." - [Anonymous](#)

"I enjoy group vacations as I enjoy traveling with others, especially when we are not traveling with other friends. Saba (Insight) was very knowledgeable, and Allison always had an eye out for all of the travelers and would stay back if we were lagging behind. I was sometimes one of them and appreciated that. The entire trip was very enjoyable." - [Karla](#)

"Like all my trips with Fox, it exceeded my expectations. If it wasn't for people like Allison to guide me through these trips, I wouldn't go." - [Anonymous](#)

"Kate made sure that all the logistics were taken care of, and there's always reassurance when a Fox Tour Manager accompanies a trip." - [Shauna](#)

"Every travel detail was planned and packaged beautifully for a seamless trip. It was a very relaxing and enjoyable trip." - [April](#)

"In Alaska, everything was done and planned perfectly, all information was given for the entire trip, and no question was too small. Great accommodation and couldn't have asked for better sightseeing. Will definitely book again with Fox, top-notch trip." - [Mike](#)

"Ireland was such a beautiful trip. The sights and experiences exceeded our expectations. We loved the trip. The hotels were nice, breakfasts were good. Dinners were very nice, especially when there was entertainment like Kate Kearney's and Bunratty Castle (so fun). The bus driver and guide were so knowledgeable about history and Ireland. His stories were fun, and he had us laughing a lot. We met some awesome new friends, which was part of what we hoped for. We also enjoyed not having to drive, and that we did not have to plan!" - [Jennifer](#)

It was excellent, everything, including flights, was excellent and on time. Really enjoyed Budapest and Prague. The cruise and the ship were amazing, small enough not to feel crowded, and the tours were all set up well and very organized. The tour guides were all excellent except for the one in Regensburg's old town. She may have been a newer guide. Very glad we went and were amazed with the experience!!!! - [Michael](#)
